MEMORANDUM FOR THE RECORD

Executive Registry

77-84525X1

SUBJECT: Discussion with

1. Some of the terminology we use just rubs the public the wrong way. This is particularly the case in terms of restricting the flow of classified information.
2. Consider getting a single reporter in to review the oversight procedure and try to give you a clean bill of health.
3. Another idea would be to have 8 to 12 selected reporters in and solicit their ideas on how to dull the critics and to impress on them that you desire to be constitutional, legal, etc.
 - a. Tom will send suggestions on names here.
